

ESSEX & CHESTER SECURE BUTLINS PRODUCTIONS

Stage 22 schools in both Essex and Cheshire were celebrating recently after again being requested to perform at the famous Butlins Holiday camps.

Essex children begin rehearsing next week for a Halloween extravaganza at the Minehead camp in Somerset. For the third year running, Stage 22 has been invited to perform to over 1,000 holidaymakers in the famous Reds Bar. And for the first time, Stage 22 in Chester have been asked to perform at Butlins northern base in Skegness in early 2009.

Stage 22's Dawn Webster, said "It is great that Butlins have recognised the potential and talent of the children here at Stage 22. We were so proud to be asked back to Minehead for a third time but to also secure a show at Skegness for our North West schools is truly brilliant!".

The production in Minehead will again be a Halloween themed show containing songs such as "Timewarp", "This is Halloween" and "Monster Mash". The production in Skegness takes place at the famous Skyline Pavilion in February 2009 and that production will take an 80's theme with the children producing some of the brilliant hits of that successful musical era.
